--Colleen Haas

Farewell, Dear Friends,
All our high school days are through;

Farewell, Dear Friends,
May all your hopes and dreams come true.

We've reached the hour of parting--
The future brings the new;

Farewell, Dear Friends,
With all good things may God bless you.

MOMENTS TO REMEMBER
--Shirley Tietz

God gave to me one moment-
One small wisp of time;
I tried to grasp that moment,
To keep it and make it mine.

It was a special and magic moment.
I thought it would forever stay;
But when I searched to find it,
The moment had slipped away.

Since, there have been many moments:
Parties, dances, and fun,
Good times through graduation,
Friendships I have won.

These moments too have passed
And will never be returned
Though it's sad to see them go
There's one thing I have learned.

Though good times are finished,
And friends may depart,
The memories are there
Still close to my heart.

So now, fellow classmates,
We must all say good-by
To good times and dear friends
At old Griswold High.

Class Prophecy

The room was dark, my hands shook with fear, my heart was pounding so hard I thought it would break, and my blood ran cold. But I had to know, I had to know! The old gypsy looked into her crystal ball, and the future opened up. The year 1973 came into a hazy view.

All at once the crystal ball started to shake. As the focus became clearer, we recognized STEVE CAVIN swinging and swaying and wooing the girls. Oh, no! Someone fainted! Steve rushed to the edge of the stage and saw SHARON HENSLEY, the president of his fan club. Sharon has been a loyal follower since the senior class play.

LOIS ARMSTRONG is now a dietition for the National Vegetarian Society.

VIRGINIA SEDERBURG is rooted in darkest Africa working with Dr. Schweitzer as a missionary nurse.

JOHN MURREN runs a big Corvette corporation in Elliott.

WAYNE EWING, now living in India, has a harem.

JANA MENKE is instructing a night cooking class for husbands whose wives work.

GARY KUNZE has come back to Griswold and has gone in with Doc the barber. The name of the shop is "Doc's." This way neither one feels left out or slighted.

MARILYN CARLEY is now a very well-known author of such books as, Helpful Hints to Fat Women and How to Eat Candy and Stay Slim.

Out of the trees of Africa comes curly, black-haired DALLAS CARLISLE. He is closely followed by his "Jane," MARLENE DeWITT. Stumbling and falling over the roots is their faithful "Cheeta," DENNIS RASMUSSEN.

GARY HARMAN owns a 20,000 acre ranch. The moonlight rides are very profitable. He turned out not to be the quiet type.

BONNIE FRANK has become a versatile teacher at Commercial Extension, and it isn't all office work either.

BILL TEMPLETON is found in partnership with his Dad farming the Templeton Plantation.

SHIRLEY TIETZ has just opened an art school in Lyman for all who are interested.

DARWYN MUELLER, who originally took up coaching as his profession, has suddenly become interested in art.

HELEN CARY is running around and around the room--chasing her boss? She says she loses more employers that way.

LARRY PELZER is racing around at Playland Park in his little bumper car.

CAROLYN SMITH still hasn't figured out how to get her clothes clean with her new scrub board--she uses Tide, too.

LE ROY and DONALD FINNELL are working their way up in the world. They started at the South Pole and are now reported 279 miles from the North Pole.

DARLENE HERING is a well-known decorator for Younkers. She specializes in Christmas decorations.

JEFFREY KITCHEN and BILL SHULTZ have collaborated and published their own dictionary in hopes it will out-sell Mr. Webster's.

JANICE RIEKEN is now the chief hat check girl at the Brown Derby in California. She reports getting very big tips.

DAVID PETERSON is a family man all right--he stays home with his family and does the dishes.

PAULA GAMMELL had to change her profession as a nurse because her patients couldn't take the rough treatment.

DELL WEAVER is an ordained minister. When asked why a change of heart, he replied, "Family life did it."

ROSEMARY RIEPE writes advice to the love-lorn column. Her adventurous love life came in handy.

LARRY BRADSHAW has become a full-time vet, but he still can't convince people that his dog talks to him.

SUSAN DAVIS has joined the Women's Christian Temperance Union to abolish the disastrous drinking and smoking habits of some people.

HARLAN CARY has over-hauled his car for the 2,167 time and it still doesn't run right.

COLLEEN HAAS has finally become famous; she is conductor of her own little dance band, the "Glinn Group."

MARY BROWN is now spending her time traveling about the country giving lectures on almost any topic.

TED VAN HINTUM is a specially trained highway patrolman. He specializes in giving and taking away licenses.

NANCY GEMMILL is still playing around--on the piano, of course.

RICHARD NETTZ is now mowing the White House lawn.

BURTON CONN works for Standard Oil and competes with his Dad's Phillips '66 station.

CONNIE PELZER and SHARON RAY have opened up a bachelor's home.

GLENN TAYLOR is now a window washer in a sorority house. He never takes holidays and works twenty-four hours a day.

KAREN WAGNER has just received the "Best Mother of the Year" award.

MARY WHITE has her own daily Punch and Judy show for high school students.

LARRY WENDT has a hog farm located in China, where he is working on a new experiment--feeding them on rice.

ARLA PETERSON is now a famous dress designer in Paris. Her latest creation is stripes, polka dots, and diamonds--all in the same dress.

MARJORIE HINES, dean of Annapolis, really enjoys her work. She says, "It's nice to have a man around the house."

KEITH AUZIER as head of the Dairyman's Association, has discovered a way to make cows give chocolate milk. This is accomplished by feeding a balanced diet of plain chocolate Hershey bars.

ZELDA HOLLDORF is found in the living room of her home knitting baby booties. She is not alone, for the patter of little feet can be heard.

DUANE NEIGHBORS is now a success. He counts the 20,000 filters in Viceroy.

BOB GUSTIN is a general in the navy. He joined the navy to see the world.

JUDY GLEASON is buying low heels so she can measure up to her man.

6'10" CHARLES CARSON has been adopted, as a mascot, by the Harlen Globetrotters.

KAREN CASEY has her ups and downs. She runs an elevator in the Empire State Building.

DANNY CARLISLE has become a professional boxer, but when the going gets rough his stand-in is MICHAEL DAVID SMITH. This is so Danny's manly beauty is saved.

JERRY RHOADS is an IBM button pusher at Cape Canaveral.

LEON PUTNAM is sitting on top of Telstar, checking connections between Earth and Mars.

GARY IRELAND has always wanted to be a coach, and now he has his own "home made" team.

JUDY SANNY now has a full time, large scale, baby-sitting job. She has had this job for several years. The only disadvantage is that she isn't paid so much as when she was in high school.

GARY HULSEBUS is a famous known taxidermist. Since Senior Science, he's developed a craze for stuffed animals.

LUELLA SUNDERMAN has put her acting ability to use, and now she is starring in the broadway hit, "Sweet Violets."

CAROLYN HULTQUIST has now become the first woman baseball pitcher for the New York Yankees.

PAT JENNINGS is a radio sports announcer. He holds the world's record for being able to rattle off baseball statistics.

ANNABELLE SWISHER is working in a greenhouse. She just invented a man-catching plant.

DONALD TYE liked Griswold School so well he became the head janitor.

BARBARA SWISHER enjoyed cheerleading so much that she decided to run a cheerleading camp in the summer.

HENRIETTA ROBINSON is head nurse at Mars. She keeps the patients in stitches.

PAT PARKER is getting ready to take a trip. Everything has been checked and rechecked. The count-down is drawing close.

SUSAN WILLOUGHBY is a professional wash lady. "Asma" gave her the idea.

MICK SMITH is at a certain local nursing home. His piccolo playing is tremendous.

We find SUSAN KENWORTHY going door to door with a petition to ban brush rollers. Why? Because she lost all her hair using them.

SHELIA SMITH is a singing secretary. She answers the phone in three octave ranges.

Then the crystal ball grew cloudy and the future was gone. I walked away with a smile on my face because now I knew what the future had in store for the Senior Class of 1963.

Class History

It was back in the year one thousand nine hundred fifty-nine that fifty eight timid freshmen entered the GCHS Missile Base and volunteered for flight into outer space. Everyone passed his examinations; but Boydena Elliott, Connie and Donald Maben, Thelma Myers, and Richard Starlin lost interest in the course and orbited off to other planets. Mary Lou Loring arrived late but passed her exams with flying colors.

As we began the second phase of our pre-flight training, we were joined by the astronauts from a neighboring base: Lois Armstrong, Susan Davis, Darlene Hering, Arla Petersen, Judy and Joyce Sanny, Steve Cavin, Burton Conn, Gary Hulsebus, Richard Nettz, and Jerry Rhoads. It seems a technician had crossed the wrong wires and burned their base down. Stanley and Donald Finnell and Mary Guill just dropped in to see what was going on. Donnie Ewing, Marilyn Redler, Joyce Sanny, Pam Tye, and Odean Watkins couldn't stand heights and quit training with us.

We were preparing to blast off when Shelia Smith and Gary Oppold climbed aboard, Pat Parker, Mary Guill, and Mary Lou Loring stayed on earth to handle ground operations.

David Adams and Jim Bea were not with us when we began the final phase of our pre-flight training. We stopped at a space station to refuel and picked up Dallas Carlisle, Charles Carson, Wayne Ewing, John Murren, Jim Petty, Leon Putnam, Denny Rasmussen, Bill Templeton, Donald Tye, Larry Wendt, Marlene DeWitt, Paula Gammell, Nancy Gimmell, Caroline Hultquist, Jana Menke, Pat Parker, Virginia Sederburg, Mary White, and Susan Willoughby.

Leon Putnam speeded up and completed his journey before the rest of us. Jim Petty enjoyed the green cheese on the moon so much that he decided to stay.

Seventy-four of us, having completed our journey, returned to the G.C.H.S. Base to receive our diplomas before beginning our solo flights in life.

CLASS SONG

Take the world as you find it,
But leave it a better place.
God has given talent
To every creed and race.
We all will work together
To make our nation strong;
To work for our Creator,
Give out His praise in song.

Take the world as you find it,
But help it to improve.
Give your time to others,
Rewards will come to you.
Meet all your trials squarely
And do the best you can.
Treat other people fairly,
And give your best to man.

The Tigers played the 1962 season with an almost entirely new team. Their record was very good, 6-3. They had some disappointing times, but good times overshadowed the poor, as the record indicates.

Gary Ireland and Darwyn Mueller were co-captains. Ireland, Mueller, and Myers were honorable mention on the REGISTER'S "all state team."

We will truly miss our senior squad members: Gary Ireland, Darwyn Mueller, Larry Bradshaw, Dave Peterson, Jerry Rhoads, Larry Wendt, Dennis Rasmussen, Bill Templeton, Danny Carlisle, Gary Harman, Wayne Ewing, Pat Jennings, Ted VanHintum, Mick Smith, and Jeff Kitchen.

The 1962-63 Tiger Basketball Team played the toughest schedule in the school's history winning 7 and losing 9. For the first time in five years, the Tigers finished in the top division of the Southwest Iowa conference winning 4 and losing 3--to win fourth place. Playing against schools such as Red Oak and Clarinda, Griswold carried the battle right down to the final gun before losing. During the season the Tigers set 4 school records and tied another. Leading players for the Tigers were:

Points	Rebounds	Assists	F. G. Percents
Carson 242	Carson 256	Myers 30	Carson 47%
Ireland 192	Ireland 196	Muller 27	Towne 39%
Myers 183	Myers 113	Ireland 14	Ireland 37%
Mueller 106	Towne 110	Cannon 12	Mueller 33%
Towne 84			Myers 32%

The Tigers will lose such capable players as Chuck Carson 6'4" center, Gary Ireland 6'2" forward, and Darwyn Mueller 6'0" guard, but will have letter winners Bob Myers, Kenny Town, Gary Cannon, Doug Turner, and Dick Rhoads.

The Fresh-Soph. Team played 10 games, winning 6 and losing 4. High scorers during the season were Jerry Petersen 125, Charles Miller 93, Dick Rhoads 88, and Bob Schantz 83.
